

About Me

I'm Mohamed Ahmed, an 18-year-old front-end developer.
Talented Front-End Developer with 6 months of experience.
My playground is designing websites that not only look good, but also work like a charm.

Work Experience

◆ End At May 2023
...

Area 51 - Restaurant

Casher

As a cashier and shift supervisor, I handled transactions accurately, providing excellent customer service. Additionally, I managed shifts, organised schedules, and delegated tasks to the team.
